

Condensed Audited Financial Statements - Year Ended December 31, 2018

The Directors are pleased to present the condensed audited financial statements of the Group and the Company for the Year Ended December 31, 2018 as audited by Messrs BDO & Co.

(a) Basis of Accounting
The condensed audited financial statements have been extracted from the audited financial statements for the year ended December 31, 2018 which have been prepared in accordance with International Financial Reporting Standards (IFRS). IFRS 9 Financial Instruments and IFRS 15 Revenue from Contracts with Customers are effective from 1 January 2018. The Group has deferred the application of IFRS 9 until the earlier of the effective date of the new insurance contract standard (IFRS 17 *Insurance contracts*) of 1 January 2022, opting for the temporary exemption from applying IFRS 9 by the amendments to IFRS 4 *Insurance contracts*. Insurance contracts within the scope of IFRS 4 are excluded from the scope of IFRS 15.

(b) Operations

In spite of challenging conditions, Swan Life Ltd has shown satisfactory results with gross premium income increasing in line with expectations.

(c) Investments

Heightened volatility during Quarter 4 adversely impacted the investment portfolio which closed slightly lower compared to Quarter 3. The local equity market weakened as foreign investors maintained selling pressure and most stocks declined. On the international platform, equity indices had a rough quarter amidst US-China trade disputes, a tech sell-off, worries that the US Federal Reserve would tighten monetary policy aggressively, and softening global growth indications.

On the fixed income side, despite the persistently high excess liquidity in the financial system and low yields, our portfolio delivered satisfactory returns on the back of active management.
