SWAN AUDIT COMMITTEE TERMS OF REFERENCE

AUDIT COMMITTEE

10. Role and Function of the Audit Committee

The primary function of the Audit Committee is to assist the Boards of Directors in discharging its oversight responsibilities with respect to:

- (i) safeguarding of assets;
- (ii) the systems of internal controls regarding finance, accounting standards, legal compliance and ethical behaviour;
- (iii) the auditing, accounting and financial reporting processes generally;
- (iv) the financial statements and other financial information provided by the Group to its shareholders, the public and others;
- (v) compliance with legal and regulatory requirements; and
- (vi) the performance of the Group's Internal Auditors and External Auditors.

In performing its duties, the Audit Committee will maintain effective working relationships with the Boards, management and the external and internal auditors. To perform his or her duties, each Audit Committee member will need to develop and maintain his or her skills and knowledge, including an understanding of the Audit Committee's responsibilities and of the Group's business, operations and risks.

Consistent with the above, the Audit Committee will encourage continuous improvement of, and foster adherence to, the Group's policies, procedures and practices at all levels.

Although the Audit Committee has the powers and responsibilities set forth in these terms of reference, its role is oversight. It is not the duty of the Audit Committee to perform any management functions or assume any management responsibilities. The Audit Committee, which has been constituted in terms of the requirements of sound corporate governance practices and of the Insurance Act, operates within that framework. It provides a forum for discussing business risk and control issues for developing relevant recommendations to the Boards for their approval and final decision.

11. Responsibilities and duties

The Audit Committee in carrying out its duties under these terms of reference will have due regard to the principles of governance and code of best practice as contained in the Mauritius Report on The National Code of Corporate Governance for Mauritius 2016.

To fulfil its responsibilities and duties, the Audit Committee shall:

11.1 With respect to Auditors and external audit:

- 11.1.1 Screen written proposals for audit services from external audit firms and carry out the process for selection of external auditors;
- 11.1.2 Review in advance any non-audit services to be provided by the external auditors, and consider whether this substantively impairs their independence;
- 11.1.3 Review the credibility, independence and objectivity of the auditors, taking into account their audit and non-audit fees. Where the auditors also supply a substantial volume of non-audit services to the Group, the Audit Committee should keep the nature and extent of such services under review, seeking to balance the maintenance of objectivity with value for money;
- 11.1.4 Assess at least annually, the independence, effectiveness and objectivity of external auditors including an assessment of the auditors' qualifications, expertise and resources;
- 11.1.5 Assess at least annually, the performance of the external auditors;
- 11.1.6 Consider and make recommendations to the Boards on the appointment, and retention of external auditors and any questions of resignation and dismissal of the auditors and shall ensure that lead audit partner within the appointed firm is rotated from time to time;
- 11.1.7 At the start of each audit, meet with the auditors to discuss and review the auditors' engagement letter, the terms, nature and scope of the audit function, procedure and engagement, the audit fee, and ensure co-ordination and maintenance of a professional relationship between the various auditors of the group;
- 11.1.8 Make suggestions as to problem areas that the audit can address;
- 11.1.9 Consider any procedures required from external auditors beyond minimum statutory and professional duties;

SWAN RISK COMMITTEE TERMS OF REFERENCE

RISK COMMITTEE

12. Role and Function of the Risk Committee

Each Board is responsible for its Company's system of internal control, including risk management, and needs to have appropriate policies and procedures to ensure that the system is in place and functioning properly.

Management is responsible for implementing and maintaining appropriate risk management policies and procedures, internal controls and processes designed to identify and address risk outside the scope set by the Risk Committee, and should be the key source of assurance for their execution.

Internal audit is responsible for reviewing the risk control framework and compliance with policies and regulations.

The purpose of the Risk Committee is to assist the Boards of Directors in fulfilling their corporate governance responsibilities relating to risk management, i.e., in relation to the identification, measurement, monitoring and controlling of the Group's principal business risks. Specifically, the Risk Committee's role is to report to the Boards and provide appropriate advice and recommendations on risk issues, in order to facilitate decision-making by the Boards and the set up of the Group's risk appetite. In so doing, the Risk Committee shall seek to safeguard the interests of the Group's shareholders by:

- (i) Ensuring that the Group's risk exposure is minimised;
- (ii) Ensuring the economy, efficiency and effectiveness of the Group's operations and internal controls and the implementation of established policies and procedures; and
- (iii) Maintaining a close relationship with management.

The Risk Committee will discharge these duties by:

- (i) Reviewing and assessing the integrity of the risk control systems and ensuring that risk policies and strategies are effectively managed;
- (ii) Setting out the nature, role, responsibility and authority of the risk management function within the Group and outlining the scope of risk management work;
- (iii) Keeping abreast of external developments relating to the practice of corporate accountability, i.e. the way those entrusted with the day-to-day management of the Group's affairs are held accountable to shareholders regarding the management of emerging and prospective risks, uncertainties and influences that could impact on the Group's future results;
- (iv) Reviewing and providing an independent and objective oversight on reports submitted by management on corporate accountability and specifically how associated risks are being mitigated.

13. Responsibilities and duties

To fulfil its responsibilities and duties, the Risk Committee shall:

- 13.1 Recommend the risk profile and risk appetite across the Group for approval by the Boards;
- 13.2 Review, together with the Group's legal advisor, any legal matters that could have an impact on the Group's business;
- 13.3 Review executive management reports detailing the adequacy and overall effectiveness of the Group's risk management function and its implementation by management, and reports on internal control and any recommendations, and confirm that appropriate action has been taken;
- 13.4 Review and obtain approval of the Group's risk management philosophies, policies, limits and processes;
- 13.5 Review and ensure compliance with the risk philosophy, strategy and policies recommended by executive management and with overall risk profile of the Group;
- 13.6 Ensure that the risk identification and management process is consistent with the Group's strategic and business plans, (i.e., that management has identified and quantified the risks related to the achievement of corporate objectives);
- 13.7 Promote risk awareness and give advice to the Boards on the information, instruction and training requirements of staff;
- 13.8 Provide the Boards with regular assessments of the risks facing the Group based on 'traffic light' categorisation and an overview of the management of identified risks;
- 13.9 Oversee the development of a written control system and submit to the Boards for approval.

SWAN RISK COMMITTEE TERMS OF REFERENCE

- 13.10 Review and discuss with Executives and Management as appropriate:
- 13.10.1 Reports from management with respect to the risk exposures of the Group and management's procedures for monitoring and reporting such exposures;
- 13.10.2 Proposed policies and proposed changes in policies with respect to the risks within the Risk Committee's Terms of Reference for recommendation to the Boards including where appropriate, exposure limits or guidelines reflecting the Group's risk tolerance in particular areas;
- 13.10.3 The risk-taking authority delegated by the Boards to the Group Chief Executive, Executives and Senior Managers;
- 13.10.4 The scope of work of the Head of Corporate Risk management and the Compliance Officer;
- 13.10.5 Significant findings identified by internal auditors concerning risk management activities of the Group in risk categories within the Risk Committee's mandate, together with management responses or follow-up;
- 13.10.6 The Group's insurance strategy, including coverage and limits of insurance policies and review and comment on adequacy of the coverage;
- 13.11 Recommend to the Boards the parameters of the Group's risks and reward strategy and oversee the following risks inherent to the Group's operations falling within the following categories:
- 13.11.1 Insurance Risk
- Review the pricing policy, acceptance and management of risks arising from insurance contracts;

- Review structural interest rate risk positions for the Group;

□ Currency Risk

- Review the Group strategy to hedge its exposure to foreign currencies when purchasing reinsurance covers on the international markets and recommend on steps that may further reduce exposure;

□ Price Risk

- Ensure that the value of security or portfolio of securities is closely monitored by investment manager to minimise risk of losses in case of price decline in the future;

13.11.4 Country Risk

- Monitor closely any changes in the local economic environment that may have an impact on the Group's business;
- Carry out due diligence exercise prior to exporting Group's business abroad;

13.11.5 Technology Risk

- Ensure that the IT department has an efficient tracking system to detect any hardware and software failures, system development and infrastructure issues;
- Ensure that IT systems and application are tested and reviewed on a regular basis to ensure that Group's IT systems are up to date;

SWAN RISK COMMITTEE TERMS OF REFERENCE

- Ensure that technology checklists, policies and procedures are developed as and when required and that IT audit checklists and control questionnaires are filled in by the internal auditors;

13.11.6 Disaster Recovery Risk/Business Continuity Risk

- Ensure that potential impacts of disaster and the underlying risks are understood and that the Group has in place the necessary foundations upon which its disaster recovery plan has been built;
- Ensure that preventive measures and backups exist to enable retrieval of information in case of systems failures;

13.11.7 Operational Risk

- Review and approve the framework for the management of operational risk;
- Ensure there is monitoring of the performance of operational risk management and controls;
- Ensure the development and ongoing review of appropriate operational risk policies;

13.11.8 Prudential Risk

- Ensure that the Group adopts prudent risk management practices designed to ensure its continuing solvency and liquidity;

13.11.9 Reputational and legal Risks

- Promote the development of high standards of market conduct and business ethics in the affairs of the Group;
- Identify, monitor and report on the Group's exposure to fraud, money laundering and other financial crimes;
- Ensure due attention to ethical consideration regarding Group's policies and practices;
- Ensure compliance with standard corporate conduct in areas such as related party transactions and potential conflicts of interest;
- Approve the provision of risk management services by external providers within budgetary constraints;
