Health Insurance

# Healthy body, healthy mind

Life is unpredictable. At any time you or your loved ones could fall ill, be injured in an accident or need immediate medical or surgical care. When that happens, the last thing you should be worried about is how you'll pay for those treatments.

With Protect Health Insurance from SWAN, you're covered for unpredictable events. Our comprehensive health insurance offers you the financial protection whenever you need it.

Conditions apply

## Compulsory in-patient and medical & surgical catastrophe covers

Cover the costs of your admission to a private hospital or clinic room, including intensive care, ambulance fees, medication, therapies and doctors' professional fees, following an illness or accident.

## Optional out-patient cover

Covers out-of-hospital medical costs, including the health practitioner's fees. We'll also cover dental treatments, prescribed glasses and contact lenses, gynaecologist visits, artificial aids and psychological trauma.

Protect Health Insurance is the ideal companion for those moments when things don't go as planned.
