Health Insurance

Protect Health Insurance

SWAN

for life

Healthy body, healthy mind

Life is unpredictable. At any time you or your loved ones could fall ill, be injured in an accident or need immediate medical or surgical care. When that happens, the last thing you should be worried about is how you'll pay for those treatments.

With Protect Health Insurance from SWAN, you're covered for unpredictable events. Our comprehensive health insurance offers you the financial protection whenever you need it.

Protect Health Insurance is the ideal companion for those moments when things don't go as planned.

Compulsory in-patient and medical & surgical catastrophe covers	Cover the costs of your admission to a private hospital or clinic room, including intensive care, ambulance fees, medication, therapies and doctors' professional fees, following an illness or accident.
Optional out-patient cover	Covers treatments not requiring an admission, including the health practitioner's fees. We'll also cover dental treatments, prescribed glasses and contact lenses, gynaecologist visits, artificial aids and psychological trauma.
