Comments on results

Group Performance

Group revenue for the quarter ended 31 March 2017 was Rs 2,088m (Q3 2016: Rs 2,138m). The improvement in revenue for the Property Investments sector, following the renovation of Phoenix Mall with additional space available, was offset by lower revenue on the Logistics and Property Development & Agribusiness sectors.

PAT amounted to Rs 178m (Q3 2016: Rs 191m). The hotel results were impacted by Easter holidays falling in the fourth quarter this year, and the effect of the depreciation of the GBP and EUR.

Corporate Developments

Pursuant to the mandatory offer jointly made by Rogers and Company Limited and ENL Land Ltd which closed on 27 March 2017, Rogers acquired 16,478,601 additional ordinary shares of New Mauritius Hotels Ltd (3.4%), thereby increasing its stake to 22.76%.

Served Market Highlights

FinTech

The PAT for FinTech was Rs 12m (Q3 2016: Rs 19m). The associate investments in Swan performed better, however the results were more than offset by the lower performance of the technology business and Axa Customer Services.

Hospitality

PAT for Hospitality was Rs 94m (Q3 2016: Rs 160m). The Hotel sector was impacted by Easter holidays falling in April this year and the depreciation of the GBP and EUR.

Logistics

Whilst the overseas freight forwarding activities performed better, Logistics suffered an increased loss of Rs 7m (Q3 2016: loss of Rs 4m) due to unfavourable charter rates of the Shipping business.

Property

The Property served market showed a stable PAT of Rs 44m (Q3 2016: Rs 45m). The results of the Property Investments sector improved to Rs 95m (Q3 2016: Rs 62m) with an increase in rental revenue for Bagatelle and the re-opening of Phoenix Mall. On the other hand, Les Villas de Bel Ombre incurred a loss due to lower sales and margins.

Results for the nine months to March 2017

Group revenue for the nine months to March 2017 amounted to Rs 6,490m (Mar-16: Rs 6,278m). PAT was Rs 408m (Mar-16: Rs 581m) whilst EPS for the period was Rs 0.96 (Mar-16: Rs 1.50).

Outlook

Despite the negative impact brought about by the September 2016 adjustment to NMH results, the Group's operational performance for the year is expected to be in line with that of last year.

By order of the Board 10 May 2017
